

Partnership Opportunities

- Acoustical Design
- Aerial Imagery
- Airfield Design
- Architecture
- Bridge Inspection and Design
- Building Services
(HVAC, Fire Protection, Structural, MEP)
- CAD/ Revit/Civil 3D/Microstation/Open Roads Services
- Capital Improvement Financial Planning
- CEI (RPR) Support
- Civil Design for Buildings
- Commissioning
- Computational Fluid Dynamic (CFD) Analysis
- Cost Estimating
- Cybersecurity
- DOT Roadway PS&E
- DOT Roadway Schematic Design
- Electrical and Lighting Design
- Environmental
- Environmental Engineering (Certified Industrial Hygienist)
- Erosion Controls and Stormwater Management
- Fire Risk Analysis
- Fuels systems
- Geographic Information Systems (GIS)
- Geotechnical
- Historical Preservation
- Hydrant Fueling Systems
- Interior Design
- IT and Security Systems
- Landscape Architecture
- Landside Roadway Design
- Low Voltage Design
- Master Planning
- Materials Testing
- NASTRAN/NX Composite Layup Modeling and Analysis
- NEPA Documentation
- Precision Fabrication
(Machining, Welding and Proof Testing)
- Public Information
- Railroad Design and Coordination
- RCDD
- Resiliency Planning
- Retaining Walls & Revetments
- Right of Way Services
- Roofing/Building Envelope Specialist
- Scheduling
- Seismic Design
- Signage and Wayfinding
- Site Civil
- Sonic Boom and Noise Analysis
- Space Launch Flight Safety Analysis
(DOD or FAA/AST Centric)
- Stormwater/Modeling and Detention Design
- Structural Design
- Subsurface Utility Engineering
- Survey
- Sustainability
- Tolling
- Traffic Engineering & Management
- Tunneling Design
- Urban Planning
- Utility (Water, Sewer, Gas) & Drainage Design
- Value Engineering
- Water/Wastewater Treatment
- Waterfront Engineering
